the ten commandments mount sinai s side of the story exodus 19 20 what would mount sinai say about the day it became the meeting place between god and humanity meet sinai the mountain where god descended in fire where the earth quaked where the law was given and where israel learned that the holy god who delivered them also required holy living through sinai s perspective experience being an ordinary mountain until god chose it as the place to reveal his glory and establish his covenant with israel feel the preparation as moses consecrated the people and set boundaries around the mountain then comes the theophany there were thunders and lightnings and a thick cloud upon the mount and the voice of the trumpet exceeding loud the mountain trembled as god descended in fire smoke ascending like a furnace witness the giving of the ten commandments god s moral law establishing the foundation for relationship with him and with others the people stood afar off and begged moses to speak to them rather than god lest we die they had wanted to experience god directly but discovered that sinful humanity cannot stand in the presence of absolute holiness without a mediator this profound story teaches children about god s holiness and humanity s sinfulness the necessity of the law to show us god s standards and why we need jesus to bridge the gap between holy god and sinful humanity perfect for children ages 6 10 sunday school lessons on the ten commandments and god s holiness family devotions and discussions about rules and their purpose

a focused and practical basic board review book that provides comprehensive coverage for residents approaching the basic exam

this book is about the location of biblical mount sinai it differs from all previous works about mount sinai in that the research and methodology is wholly focused on the bible text what the bible has to say about mount sinai the physical realities that would have impacted on the israelites that followed moses and what archaeology has revealed to date those realities influenced the rate of travel from egypt to mount sinai route of travel the distance traveled the impact of the physical condition of the people and the animals that went with them and the logistics involved most written works about mount sinai do not offer evidence from the biblical text supporting their conclusions and those that do often only cite the bible in passing this book holds that the historical accuracy inerrancy and authority of the bible are without question the exodus happened and the israelite people were freed from bondage and followed the leadership of moses to mount sinai and beyond this book focuses on the evidence and physical realities without

the introduction of personal agendas or biases the book pieces together the three dimensional puzzle recognized as mount sinai in the exodus and identifies where mount sinai is located based on the evidence presented throughout
